

• WORKSHOP/ORGANISATION

KKV Printmaking Malmö

Artists' Collective Workshops are located near Dalaplan, Malmö; in the area of Sofielund. The workshop is a studio for artists with printmaking techniques with both, traditional craftsmanship and art projects. Innovative approaches to printmaking are practiced at the workshop.

• INTERNATIONAL

Every year, the workshop has an exchange programme with international artists in collaboration such as; Künstlerhaus Lukas and Hannover Drawing Workshop in Germany, Women's Studio Workshop in Rosendale, USA and with Nagoya University of Arts in Japan.

The long term goal of KKV is to continue developing a network of artists both, nationally and internationally. Together artists, institutions and other organizations can create a system of mutual dependence and support.

• MEMBERSHIP

The workshop is open to practicing artists and likeminded professionals. Experience and technical knowledge are required in order to use the workshop's equipment.

Requirements to obtain membership are made by submitting an application along with your portfolio. Applications are received throughout the year via email or direct mail and reviewed by the KKV's committee.

• PROJECT MEMBERSHIP

Project Membership: is available for individuals or collaborative projects as a temporary membership and does not adhere to the formal requirements for longterm membership. For further information, please contact the committee at www.kkvgrafikmalmo.se.

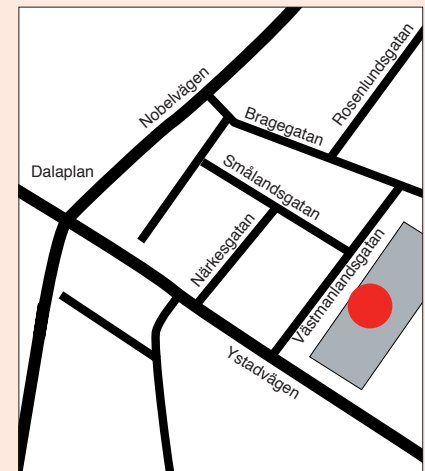

Limited Time Project Membership: is available to new students and members, who will be able to receive technical advice regarding printmaking.

• VISITING

Tours and visits of the workshop can be arranged through KKV, where groups or individuals can view the work space and will also have the possibility of purchasing art.
